ABOUT US

San Luis Obispo Chapter
of the California Dressage Society

Dressage originates from classical Greek horsemanship around 400 BC. The word Dressage is derived from the French term meaning "to train". Today, Dressage is an Olympic sport, where the horse and rider are in perfect harmony in the competition arena.

The California Dressage Society, formed in 1967, is a non-profit organization to further the interest in the equestrian sport of Dressage. It is the largest Dressage organization in the nation with more than 3,000 individual members in its 30 Chapters.

The San Luis Obispo Chapter governs events, members, and activities within San Luis Obispo County. Your generous contribution goes towards educational opportunities, scholarships, clinics and shows.
